

WARRANTY

Chain Link Fence

**This warranty is valid between (I) the original purchasing “Customer,” and
“Jackson Fence Company,” LLC.**

Limited Lifetime Workmanship Warranty:

This warranty covers defects in workmanship for the lifetime of the fence. This includes proper post footers, proper fasteners, and proper installation methods as directed by ASTM standards (www.astm.org). Any failures as a result of improper installation will be covered by this warranty.

Unless otherwise specified on Customer’s contract, chain link fences are installed with a bottom tension wire. While this tension wire adds stability to the lower side of fence, the fence will have give at the bottom and could require additional measures to prevent certain pets from pushing out.

Product Warranty:

Unless otherwise specified on Customer’s contract, Jackson Fence Company uses 20-Weight frame work and includes a 10 year warranty. Galvanized and vinyl-coated chain link meshes have a 15 year warranty. More product warranty information can be found on the below listed companies’ respective websites or by request.

Not Covered Under This Warranty:

This warranty does not cover damages caused by any and all kinds of aftermarket modifications, accidental or intentional negligence, animals, or acts of God.

Suppliers:

Stephens Pipe and Steel (www.spsfence.com)

Eagle Fence Distributing (www.efdistribution.com)

Voiding of Warranty:

This warranty becomes void if 1) anyone removes Jackson Fence Company’s sign from Customer’s fence, 2) if Customer’s account balance is past due, and/or 3) Customer sells property in which the fence is installed.

By signing below

I (Customer) certify that I have read the above warranty coverages and understand the limitations of this warranty.
